Dear Mr. Diaz:

Re: Qualified Suppliers List of Distributors (QSLD), Requalification, FSC 5961 and 5962, CAGE: 5X304, VQC-25-039591, CN: 091605

This Center has received your documentation to re-qualify in the Qualified Suppliers List of Distributors (QSLD) program. Based on our review, your facility is considered a qualified distributor eligible to supply FSC 5961 and 5962, military and commercial grade product, as dictated under the Criteria and Provisions document for the QSLD program. All devices are to be controlled and managed from your Commack, NY location. No other locations for your company are qualified under this program.

For the duration of the qualification period, the distributor is subject to periodic reviews by this Center or its representatives and agrees to meet the requirements set in the Criteria and Provisions document for the program. This qualification is valid till June 1, 2028 and can only be terminated by written notification from this Center. At the end of the three-year period, your company must resubmit an application within 60 days to remain in the program

The acceptance of your company into this program does not relieve the distributor of its contractual obligation to deliver product that complies with all specification requirements. If you have any questions, please call Mr. Puhalsky at 614-692-2458.

Sincerely,

MICHAEL S. ADAMS
